

2026 7th International Conference on Computer Vision and Computational Intelligence (CVCI 2026) will be held in Hokkaido University, Japan during January 9-11, 2026. All accepted and registered papers can be published in the **CVCI 2026 SPIE Conference Proceedings**, which will be included in SPIE Digital Library and indexed by **Ei Compendex**, **Scopus**.

Conference Speakers

Keynote Speakers

Prof. Nikola Kasabov (IEEE Fellow)
Auckland University of Technology,
New Zealand

Prof. Toshihiko Yamasaki
University of Tokyo, Japan

Invited Speakers

Assoc. Prof. Jiyi Li
Hokkaido University, Japan

Assoc. Prof. Kazuya Ueki
Meisei University, Japan

Dr. Guoming Wang
Zhejiang University, China

Dr. Junshi Xia
RIKEN Center for Advanced
Intelligence Project (AIP), Japan

Supported by

北海道大学
HOKKAIDO UNIVERSITY

Technically Supported by

Nottingham Trent
University

Queen Mary
University of London

UNIVERSIDADE DE
COIMBRA

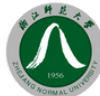

Waipapa
Taumata Rau
University
of Auckland

NJUST

澳門大學
UNIVERSIDADE DE MACAU
UNIVERSITY OF MACAU

Call for papers

Optical Information Processing
Holographic Imaging and Hologram Processing
Optical Filter Design and Optimization
Image and Video Processing
Object Detection and Recognition
Biometrics and Visual Authentication
Explainable AI in Visual Systems
Computational Optical Imaging
Applications of Computational Intelligence

The topics above is for reference only, you can find more topic in the website: <https://www.cvci.net/cfp.html>

Important Dates

Submission Deadline: September 10, 2025

Notification Date: October 20, 2025

Registration Deadline: November 10, 2025

Conference Dates: January 9-11, 2026

Submission Method

Electronic Submission System

<https://www.zmeeting.org/submission/CVCI2026>

E-mail Submission

cvci.conference@gmail.com
